Re: A BEE R.A.G. Service, Inc

To Whom It May Concern;

A BEE service has been providing, cleaning, painting, and tiling service to me for the last eight (8) years. It is my pleasure to provide a recommendation for a company that has consistently provided me with quality, reliable and reasonable services.

Their workers are qualified, honest, concise, trustworthy, and friendly workers. As a family owned and operated company, their value system is shown in their work ethic and interaction with their clients. I see myself continuing to use them for my bi-weekly cleaning service and any interior renovation service I may need.

They are a wonderful addition to my life. As a retiree and am unable to do most of the work I have tasked them to do. I love this company and would highly recommend to everyone.

Any additional questions, do not hesitate to call me at 718.671.5717 or email me at [barriofrank@hotmail.com](mailto:barriofrank@hotmail.com).

Sincerely
