MIN. JACQUELINE M. GRANT - PASTOR/DIST. VICE RULING ELD.

PASTOR JONATHAN SHULER - DISTRICT OVERSEER

July 25, 2014

To Whom it May Concern:

I, Pastor Jacqueline M. Grant, Sr. Pastor of the above named church, am writing this letter of recommendation on behalf of A Bee R.A.G. Services, Inc.

I have had the pleasure of meeting this corporation several years ago at a most devastating period at our church. We was experience continuous flooding in our churches basement which lead to damages to our floor, walls and resulting in unfortunate health conditions even in the sanctuary. A Bee R.A.G. Services was very instrumental in restoring our basements structure and sanctuary for continual usage. Their company removed damaged walls and floors, mole and mildew; cleaned and sanitized the churches pews and rugs, restoring it's luster for continue usage.

I personally utilized the company in my home to restore by wood flooring by stripping, sanding, shellacking and applying a top coat for shimmer and shine. My floors and still reflecting a glow as the years have past by.

I appreciate the companies hard work, diligence, professional, yet friendly and personal attitude in assuring their work meets the standard of expectation of their client. I highly recommend their services and ensure anyone that hires them will be satisfied with the service provided.

Any additional question, don't hesitate to contact me at the number or email provided above or my personal cell (718) 288-7739 anytime.

Respectfully yours,

Min. Jacqueline M. Grant
Pastor
